

Roberto Fuentes-Martínez

Via Brunero Paoli 31, 55100 Lucca (LU), Italy · +34 615 137 223
roberto.fuentesm@imtlucca.it · rfuentesmartinez.github.io

CURRENT POSITION

2022 – Present **Joint PhD Candidate in Economics, Analytics and Decision Sciences (EADS)**
Universidad de Alicante (Spain) – Scuola IMT Alti Studi Lucca (Italy).

RESEARCH FIELDS

Time series econometrics · Copulas and dependence modelling · Financial econometrics · Econometric theory.

EDUCATION

- 2022 – Present **PhD in Economics, Analytics and Decision Sciences**
Joint Programme: Universidad de Alicante, Spain – Scuola IMT Alti Studi Lucca, Italy
Advisors: Irene Crimaldi (IMT) and Juan Mora López (UA).
- 2021 – 2022 **MSc in Economics**
Universitat de València, Spain
With Honours and Extraordinary Award of the Master's Degree. *Advisor: Carles Bretó.*
- 2019 – 2020 **Graduate Diploma in Economics**
The University of Nottingham, UK
With Distinction.
- 2012 – 2018 **Industrial Engineering Degree (5.5-year programme)**
Universidad Técnica Federico Santa María, Chile
Top 10% class rank; maximum grade on final dissertation.

PUBLICATIONS

1. Fuentes-Martínez, R., Crimaldi, I., Rungi, A. *Non-Linear Dependence and Granger Causality: A Vine Copula Approach*. Book chapter, Springer series *Contributions to Statistics*. **Forthcoming**.

WORKING PAPERS

1. Fuentes-Martínez, R., Crimaldi, I. *Granger Causality in Expectiles: an M-vine Copula Test*. Submitted. [arXiv:2603.23294](#).
2. Fuentes-Martínez, R., Mora, J. *Estimating Portfolio Expected Shortfall with Stationary Vine Copulas*. Preprint.
3. Fuentes-Martínez, R., Rubia, A., Sala, C. *What Does the Option Market Tell Us About Systemic Risk?*

SELECTED PRESENTATIONS

- 2026 **9th International Conference on Econometrics and Statistics (EcoSta 2026)**
Ryukoku University, Kyoto, Japan
Contributed talk, “Granger Causality in Expectiles: an M-vine Copula Test”. August 8–10, 2026.
- 2026 **Joint workshop Universidad de Alicante - IMT Alti Studi Lucca**
Alicante, Spain
Invited talk, “Granger Causality in Expectiles: an M-vine Copula Test”. May 15, 2026.
- 2026 **Helmut-Schmidt-Universität / Univ. der Bundeswehr Hamburg**
Germany
Invited seminar talk, Faculty of Economics and Social Sciences (WiSo). “Granger Causality in Expectiles: an M-vine Copula Test”. March 10, 2026.
- 2025 **11th International Conference on Time Series and Forecasting (ITISE)**
Gran Canaria, Spain
Contributed talk, “Non-Linear Dependence and Granger Causality: A Vine Copula Approach”. July 16–18, 2025.

- 2025 **XV Workshop in Time Series Econometrics**
Universidad de Zaragoza, Spain
Contributed talk, “Non-Linear Dependence and Granger Causality: A Vine Copula Approach”.
 April 3–4, 2025.
- 2024 **Second Meeting of the Network for Statistical and Causal Inference**
Sant’Anna, Pisa, Italy
Invited talk, “Non-Linear Dependence and Granger Causality: A Vine Copula Approach”. February 2, 2024.

TEACHING

- 2024 – Present **Teaching Assistant**
Scuola IMT Alti Studi Lucca, Italy
 Econometrics I and Econometrics II (PhD-level).
- 2017 **Teaching Assistant**
Universidad Técnica Federico Santa María, Chile
 Econometrics; Operations Research.
- 2015 – 2017 **Computation Laboratory Coordinator**
Universidad Técnica Federico Santa María, Chile
 Multivariable Calculus and Differential Equations (MAT-023); Probability and Statistics (MAT-042, 2017).
- 2014 – 2015 **Teaching Assistant**
Universidad Técnica Federico Santa María, Chile
 Process Chemistry (QUI-025).

SUMMER SCHOOLS & WORKSHOPS

- 2025 **School in Machine Learning of Dynamic Processes and Time Series Analysis (3rd ed.)**
Scuola Normale Superiore, Italy
- 2025 **Doctoral Colloquium on Risk Analytics: Modern Risk Measurement**
Università Ca’ Foscari Venezia, Italy
- 2024 **Workshop on Big Data in Asset Management**
CEMFI, Spain
- 2022 **Challenges in Data Science: Big Data, Biostatistics, AI and Communications**
Universitat de València, Spain
Awarded scholarship by Universitat de València.

AWARDS & HONOURS

- 2023 **Extraordinary Award of the Master’s Degree**, Universitat de València, Spain.
- 2017 **Outstanding University Sports Career**, Universidad Técnica Federico Santa María, Chile.
- 2013 – 2017 **Students Honour Roll**, Universidad Técnica Federico Santa María, Chile.

PROFESSIONAL EXPERIENCE

- 2018 – 2019 **Vehicle Fleet Control Analyst**
DISAL Chile Sanitarios Portables LTDA, Chile
- 2017 **Research Support, 2016–2017 National Health Survey**
Pontificia Universidad Católica de Chile

AFFILIATIONS

Member of the National Group for Mathematical Analysis, Probability and their Applications (*Gruppo Nazionale per l’Analisi Matematica, la Probabilità e le loro Applicazioni*, GNAMPA), National Institute for Advanced Mathematics (*Istituto Nazionale di Alta Matematica*, INdAM).

SKILLS

Languages Spanish (Native) · English (C1, Advanced) · Italian (A1, Beginner).

Programming R / RStudio (Adv.) · Python (Adv.) · L^AT_EX (Adv.) · Stata (Int.) · SPSS (Int.).
Other Microsoft Office (Adv.) · Power BI (Int.).
